

Statement on availability of places for International Students

The Board of Management, staff and students welcomes and values the contribution and diversity of our international students. In order to ensure the academic progress and achievement in Dominican College, Wicklow of our international students, the school wish to bring the following to your attention;

All places are subject to availability, based on DES allocation of resources and the student's age must be appropriate to the Year group, to which the application has been made.

Places in some subjects are limited due to DES resources, length of student stay, class size and therefore cannot be guaranteed. We will endeavour to facilitate the maximum number of subject places. Students must follow the timetable provided by the school.

Parents of International students are advised that the Leaving Certificate programme is of a two year duration and the Junior Cycle is of a three year duration and are strongly advised against enrolment in Year three in Junior Cycle and Year two in Leaving Certificate.

All international students must be in attendance on the opening day of the school year and are required to attend as per school calendar. Students must attend with the required books, new workbooks and equipment, which will not be provided by Dominican College, Wicklow.

All students are actively encouraged to fully engage with the curriculum and participate in extracurricular and co-curricular activities.
