

Use of iPads

What I must do:

- Only use my iPad for accessing my ebooks during school hours, unless clearly instructed by a teacher to access the internet under his/her supervision
- If undertaking any type of assignment / project from a teacher that requires photography/video/sound recording from my iPad/mobile or other device, I must get permission from each individual who will be recorded and ONLY use that recording for educational purposes and with the clear permission of a teacher
- Report any form of suspected bullying/cyberbullying to my Year Head

What I must not do:

- Use my iPad during break times (morning break, lunch time, between classes or while waiting for a teacher to arrive to class)
- Access the internet using an iPad / mobile phone or other device unless instructed by a teacher to do so, and under a teacher's (or I.T. prefect's) supervision
- Use my iPad or other device to take photos, videos or other recordings of anyone in the school and post any such photos online (including Facebook, Instagram, other Social Networking sites or any online location)
- Engage in any form of cyberbullying, including online conversations of a hurtful, defamatory, threatening, intimidating or negative nature
- Comment about any person associated with DCW on Ask.FM or other similar sites
- Be dishonest with my parents and/or teachers about my internet use and how I behave online
