If there are two or more students in any of the selection criteria categories set out in [Section 6](#) above, then the position on the waiting list (for places in a year group other than First year) will be determined by a lottery process overseen by the Principal, Deputy Principal and an independent observer appointed by the Board of Management.

Offers of any subsequent places in the year group other than First Year that become available during the school year will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

12.Sharing of Data with other schools

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of data between schools in order to facilitate the efficient admission of students. Late applicants will be offered a place if there is a place available. In the event that there is no place available, the name of the applicant will be added to the waiting list.

15. Procedures for admission of students to a year group other than First Year and/or to any year group during the school year

Where parents wish to make an application for their son/daughter to a year group other than First Year or during the school year, they should in the first instance fill in an Application Form. An offer of a place can only be made if there is space in the year group in question. A decision on whether a place can be offered will be conveyed to the parents within 21 days of the initial application. Applications made for a place in Transition Year or Fifth Year in the forthcoming academic year will be deferred until the Principal has established the number of available spaces in each of these year groups, which will depend, in turn, on the number of existing Third Year students who progress to either year group. Such applications will be placed on a waiting list until the number of available places in the relevant year group has been established by the Principal.

Before accepting the offer of a place in the school the parents and their son/daughter may be invited to attend a meeting with the Principal and/or Deputy Principal to ascertain whether there is a place available in the particular subject classes required by their son/daughter. The fact that there may be a space in a year group would not automatically mean that there is a place available in a particular subject class at the level required by the student. This is

because class size is limited in certain subjects. For this reason, parents and their son/daughter are strongly recommended to attend a meeting with the Principal and/or Deputy Principal to ensure that a transfer to the school would be in the best interests of their son/daughter given the curricular provision, subject choices/levels available at the time.

Acceptance of an offer of a place by an applicant to a year group other than First Year or during the school year:

The parents must confirm their acceptance in writing of an offer of a place within three weeks of the date of the offer of a place.

In accepting an offer of admission from Dominican College, Wicklow, the parents must indicate—

(i) whether or not they have accepted an offer of admission for another school or schools. If they have accepted such an offer, they must also provide details of the offer or offers concerned and

(ii) whether or not they have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, they must provide details of the other school or schools concerned.

Parents should be aware that failure to disclose this information on the acceptance of a place may lead to an offer being withdrawn by the school.

The procedures of the school in relation to the admission of students who are not already admitted to the school to classes or years other than the school's intake group are as follows:

Availability of places in the relevant year

Student has reached the appropriate age group for the year group to which the student is applying.

The availability of resources to meet the educational needs of the student

15. Declaration in relation to the non-charging of fees

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

17. Arrangements regarding students not attending religious instruction

A parent of a student, or a student who has reached the age of 18, who wishes to attend Dominican College Wicklow without attending religious instruction should make a written request to the Principal.
