Dear Parents/Guardian,

I hope you and your family are well.

We would like to advise you that following the instructions of the Minister for Education, Dominican College, Wicklow, will remain closed until 19th April.

The teachers will continue to set and receive schoolwork, upload lessons on Edmodo and SchoolWise, until the Easter holidays on 3rd April. All students are expected to complete all work assigned.

My records show that regrettably, some students are not engaging in Distance Learning. I would like to ask all parents to ensure your daughter is engaged in Distance Learning by logging in to SchoolWise or Edmodo with your daughter. If your daughter is unwell, please email her Year Head.

This is a very stressful time for everyone and it is vital that everyone keeps themselves well. It is also important that students do their best to stay on top of their studies. Students can message their teachers with any questions about the work set for them.

We hope we will be able to return to school after the Easter holidays. If we receive any further updates from the Department of Education and Skills, we will update the school website.

Yours sincerely,

L Mynes
